# Henna Inam

*Global Speaker, Author,  
CEO Transformational Leadership*

*"Great speaker and training provider. Motivational, inspirational, excellent." – Eva Koscova, Novartis*

Henna Inam speaks and coaches from experience. With over 20 years of corporate experience including P&L management and C-suite roles in Fortune 500 companies, she is the founder of a leadership development company that has impacted thousands of executives globally. Henna delivers ideas that enlighten, tools that energize, and practices that transform goals into measurable outcomes. Henna inspires and instructs

her clients on how to become effective leaders by creating positive, lasting change in behavior: for themselves, their people, and their teams.

Henna is a sought after speaker, talented author and CEO of Transformational Leadership Inc. Her book *Wired for Authenticity* (May, 2015) helps leaders discover seven practices to help them lead with authenticity and adaptability. Her inspiration is to create a global movement for greater authenticity in workplaces and help leaders develop teams that are innovative, engaged, and drive measurable results.

She founded Transformational Leadership Inc. in 2010 to help organizations develop leaders who are both authentic and adaptable and to create cultures of innovation, trust, and inclusion. Working with a global team of partners, Transformational Leadership, offers executive coaching, leadership development, and team workshops. Clients are Fortune 500 companies including Google, Johnson & Johnson, Pricewaterhouse Coopers (PwC), CNN, The Coca-Cola Company, Bank of America, Microsoft and Novartis. Transformational Leadership builds trusted, long-term partnerships with these companies global to help them meet their goals.

Henna is a frequent and well-versed speaker on leadership and a blogger for Forbes and Forbes Women. She has appeared on Fox Business, NPR, and is quoted in Fortune/CNN/Money online. Henna is committed to several non-profits that share her passion for the advancement of women in leadership. She is on the Board of Counselors for Carter Center and is the organizer of TEDxWomen in Atlanta.

## Testimonials

*Henna recently conducted her leadership module for the top leaders of my sales organization. She tailored her material and style to my cross-functional team. I highly recommend Henna. Her high degree of EQ; sharp level of professionalism; and deep expertise in transformational leadership make her a relevant thought leader in this important space.*

*Pamela Stewart, Coca-Cola*

*Henna is authentic, charismatic and inspirational and set the perfect tone as the keynote for our event, where attendees walked away with practical takeaways for evaluating and strengthening their leadership skills.*

*Joan Herbig, CEO ControlScan*

*Henna's goal of helping others to become stronger leaders is evident in her executive coaching. Her intuitive nature helps her quickly get right to the heart of what development is needed for each person while working to enhance existing skills and talents, and enriching their global mindset. She has successfully coached members of my team, producing immediate and long-term results.*

*Larry Darrow, President, Global Business Services, UPS*

*Henna was a great coach to one of my high performing executives. She quickly developed a sense for how to relate to this individual and where the high impact learning edges were. Together Henna and my executive accomplished a great deal. I would not hesitate to call Henna again. She was great!*

*W.E. "Chris" Lowe, President Coca-Cola North America*

*I've had the pleasure of participating in several of Henna's workshops. She shares her perspectives with grace, style, and conviction. She creates an atmosphere of trust. We left the session feeling empowered.*

*Patricia Arundel, Global Head of Media, Google for Work*
